

Our DNA is what is meant to define us at our core. It defines our values, describes how we do things, and should be visible in every aspect of our personal lives and our church. It describes our culture, grounded in Jesus' love for us..

#DNA

hope365

You get, what you see!

We are family

Fundamentally positive

Always together

Culture of honor

We are courageous

Only the best - no leftovers

Passion drives us

We don't stand still

We stand with Israel

**You get,
what you
see!**

Nobody is perfect, but honesty
and openness are essential.
We don't need actors -
we need "normal",
authentic people.

**We
are
family**

Kirche ist mehr als ein Verein
Gleichgesinnter.
Kirche ist (d)ein Zuhause.
Wir sind wie eine Familie:
liebepoll, freundlich, halten zu-
sammen, vergeben einander
und nehmen einander
bedingungslos an.
Bei uns ist jeder willkommen!

#DNA - hope365

**Fundamentally
positive**

We allways see the good!
We speak about the good!
We encourage each other,
build one another up,
and cheer each other on.
Church should be fun,
because with God
the glass is always half full!

#DNA - hope365

**Always
together**

Doing something together is
always better than doing
it alone!
We love teams, families,
church services, life groups,
connect groups, friends, ...
We want to support each other,
and encourage one to take
the next steps.

Culture of honor

We honor and value every person regardless of their story, opinions, performance, or limitations.

We honor without conditions and without expecting anything in return.

We honor whom honor is due.

#DNA - hope365

We are courageous!

We expect God Himself to be active in us and to live through His supernatural power.

We trust God for big things!
We speak clearly about what we believe about God, who He is, and what He means for us.

We are active and live boldly.

#DNA - hope365

Only the best - no leftovers

For God and for people, only the best is good enough!

We don't just give what's left - we give our very best.

Excellence is a matter of the heart for us.

#DNA - hope365

Passion drives us

We love God, people, and church!

From this passion we serve enthusiastically, worship God, motivate, and live generously with each other.

#DNA - hope365

**We don't
stand
still!**

God has embedded multiplication as a principle in His creation.
We actively and purposefully work so that Christians, leaders, life groups, connect groups, church services, and churches develop further and multiply

#DNA - hope365

**We stand
with
Israel!**

God has chosen Israel.
All who bless Israel will be blessed (Genesis 12:2-3).
Our Lord Himself is of Jewish descent, and we are grafted into the olive tree so that they are our brother and sisters - and we bless them.
